

SUMMER FUN

at Sulamita Christian

Summer Theme - Galatians 5:22-25

Pre-K 4's: Kids participate in fun summer crafts, continue to experience and get used to a school environment as well as learn new games, meet new friends, and learn from the Word (Bible).

Jr. Kindergarten: Kids not quite meeting the age requirement for 2017 Kindergarten enrollment (Age 5 by 8/31/17) are encouraged to participate. They have the opportunity to prepare or work towards early entrance into Kindergarten. This is also a wonderful class for Kindergarten or Grade 1 students needing extra math or literacy help, allowing them to be more prepared for the 2017-2018 school year. This class works in conjunction with the Pre-K 4's class, allowing kids to participate in fun crafts and games, as well!

Craft, Cook & Build Camp: (For students entering grades 1-6)

Enrichment Arts Camp, using God's creation & creativity to learn how to build from what He gives, cook from His fruits, and craft from the heart. Fun with wood, paint, and other materials! Last year's session included rocket building, water games, basket making, box creations, garden growing & much more!

Reading & Math Tune-Up: (For students entering grades 2-6)

Families wanting to give their children extra support/practice in reading and math are encouraged to sign up. Each child will be assessed on their current math/reading level. They will then take part in lessons that help each grow to the next level, preparing each child for their upcoming school-year and beyond.

All of our summer classes include active, hands-on learning. The students all participate in outdoor or indoor games as well as regular class-time. Some of our past classes included rocket building, "wet week" or fun with water, as well as wood building challenges.

Registration & Fees

- **Pre-K 4's, Jr. K, Reading & Math Tune-UP:**
 - \$300 per month or \$85 per week (per student)
- **Cook, Craft & Build:**
